Careers for Students with a Bachelor of Arts in Information Studies

**Information Studies Graduates**

*Information Studies graduates are versed in creating links between people and technology in the workplace. They are negotiators, intermediaries, and facilitators who enable communication and problem solving through designing and implementing technological solutions for their organizations.*

Information Studies Graduates find Jobs as:

- Project Managers
- Social Media Managers
- IT Analysts
- Records Managers
- Web Developers
- Systems Analyst
- Network Administrators
- Data Analysts
- System Administrators
- Digital Archivists

"I thoroughly enjoyed my time in the IS program and am extremely grateful for the opportunities it has provided me."  
- Kevin Buck, 2011  
  Digital Media Specialist  
  OU Information Technology  
  Norman, OK
